DSIC Research and Design on Less Ballast Water Ships

Bao Yan/Senior Engineer

2013-11-07

PRESENTATION INDEX

DSIC OVERVIEW

THE IDEAS OF LESS BALLAST WATER SHIPS

VLCC SOLUTION

SUMMARY

大连船舶重工集团有限公司
DSIC DALIAN SHIPBUILDING INDUSTRY CO., LTD.

DSIC OVERVIEW

Embracing Centennial Success
Forging World Class Shipyard

CORE BUSINESS

MILITARY SHIPS

CIVIL SHIP
NEWBUILDING

HEAVY INDUSTRY

SHIP REPAIRING
AND
SHIP RECYCLING

OFFSHORE ENGINEERING
AND
CONSTRUCTION

大连船舶重工集团有限公司
DSIC DALIAN SHIPBUILDING INDUSTRY CO., LTD.

DSIC OVERVIEW

VLCC Experience

- ✓ Delivered: more than 50
- ✓ Orders in hand: more than 10

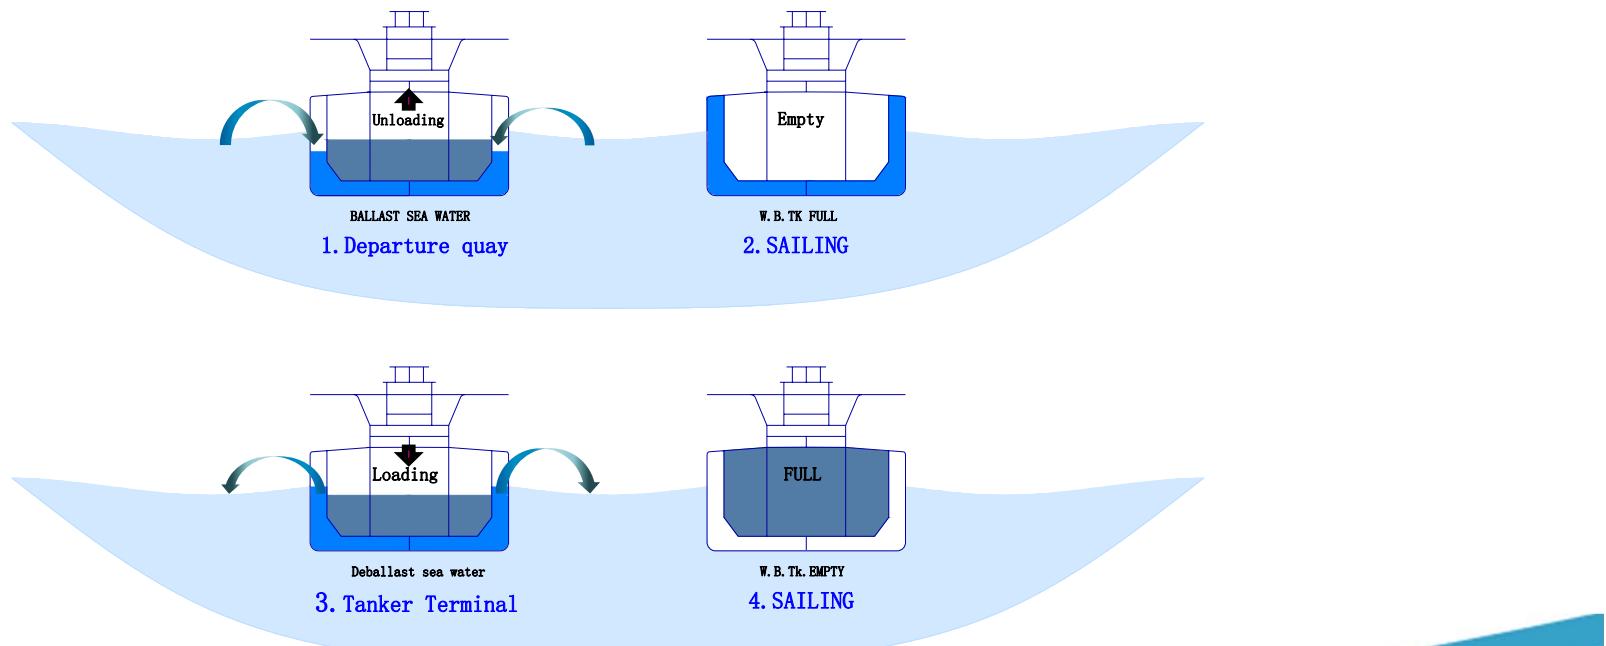

大连船舶重工集团有限公司
DSIC DALIAN SHIPBUILDING INDUSTRY CO., LTD.

Ideas of Less Ballast Water Ships

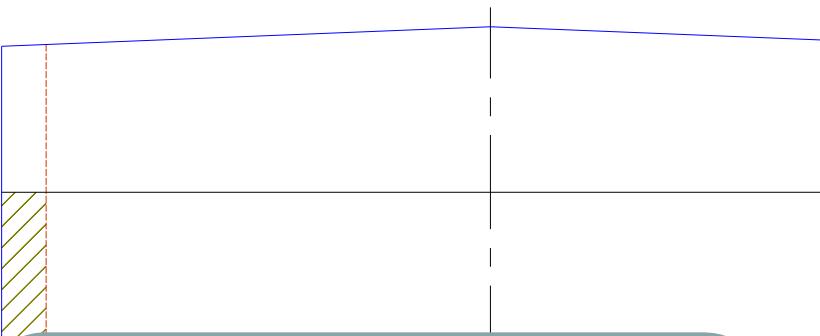

Disadvantage of Ballast Water

- ✓ The invasion of ballast-spread species;
- ✓ Energy loss in ballast water transporting.

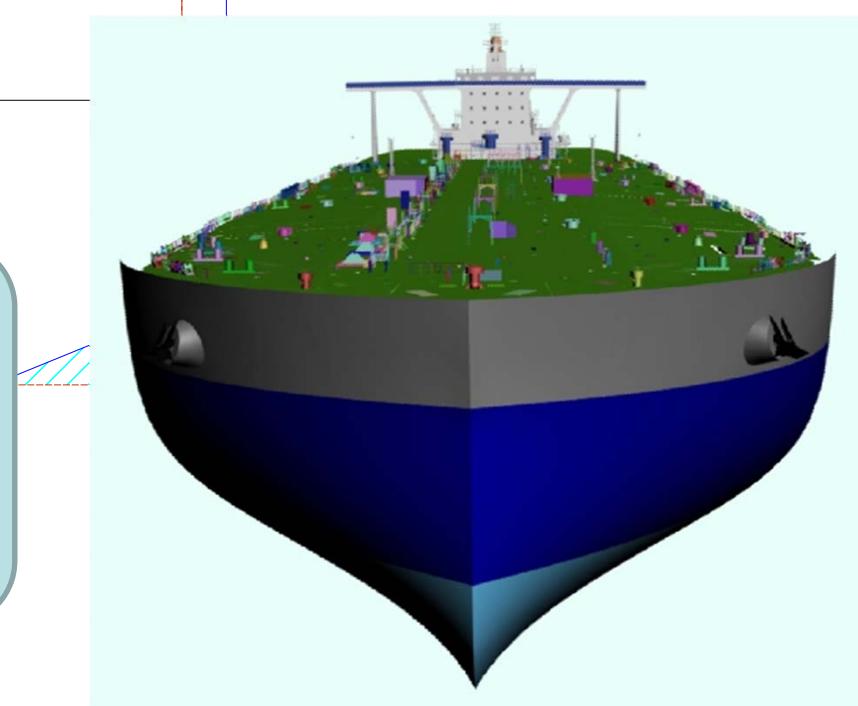

Ideas of Less Ballast Water Ships

Inclined Bottom with Narrower Flat Part

- ✓ About 50% ballast water can be reduced
- ✓ More energy can be saved in ballast condition sailing
- ✓ All the current rules and regulations are fulfilled
- ✓ Feasibility for construction

大连船舶重工集团有限公司
DSIC DALIAN SHIPBUILDING INDUSTRY CO., LTD.

VLCC Solution

Capacity & Deadweight

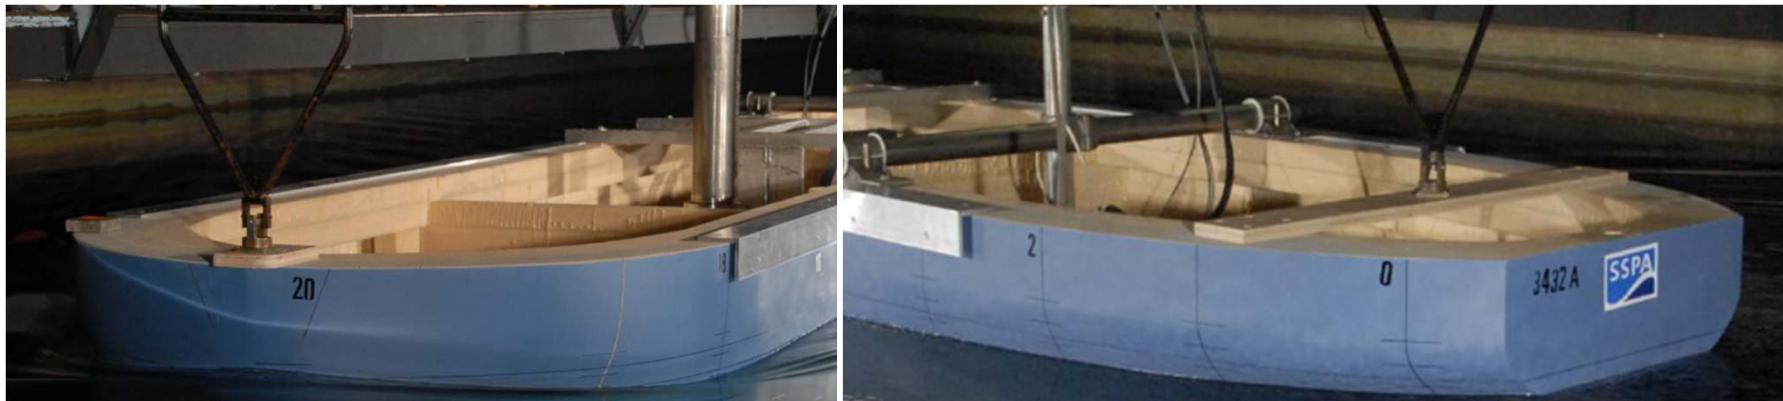

Capacity & Deadweight		
	Conventional VLCC	Less Ballast Water VLCC
COT Capacity (m ³)	354,000	357,000
WBT Capacity (m ³)	100,000	50,000
DWT at Scantling Draft (t)	320,000	320,000

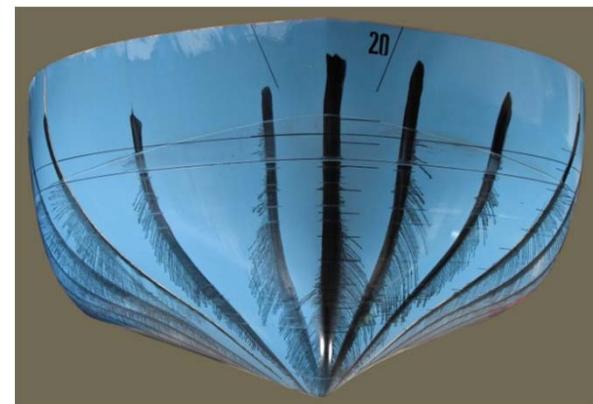

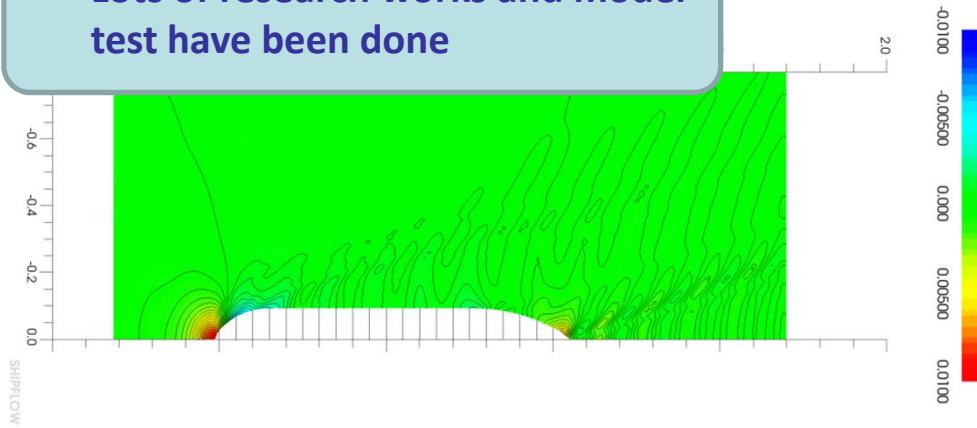

大连船舶重工集团有限公司
DSIC DALIAN SHIPBUILDING INDUSTRY CO., LTD.

VLCC Solution

Hull Form Optimized and Model Test

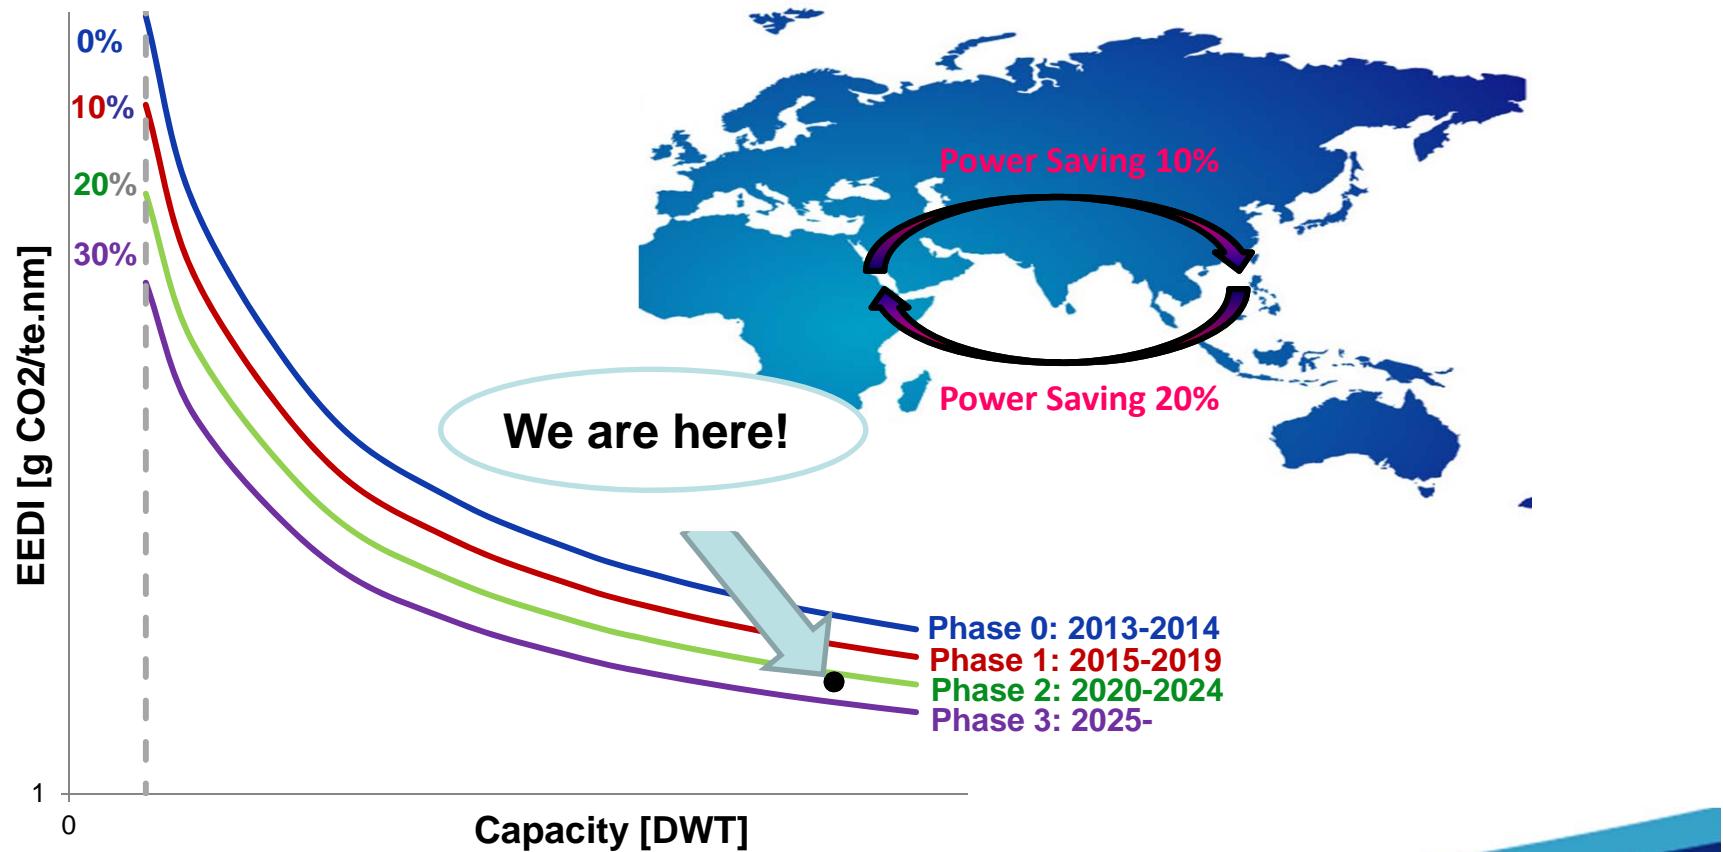

- ✓ Lots of research works and model test have been done

VLCC Solution

EEDI & Power Saving

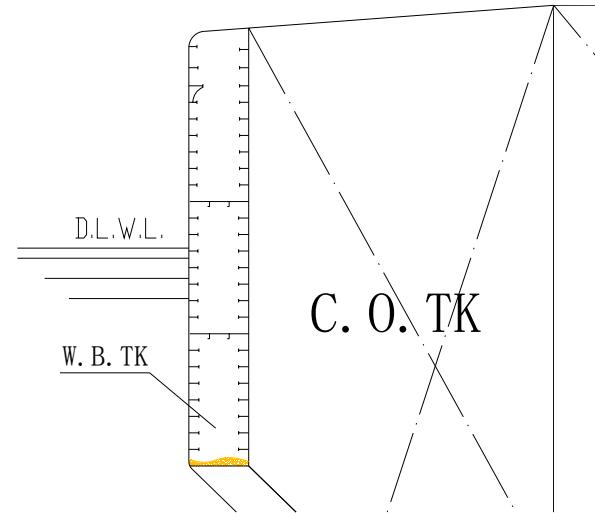

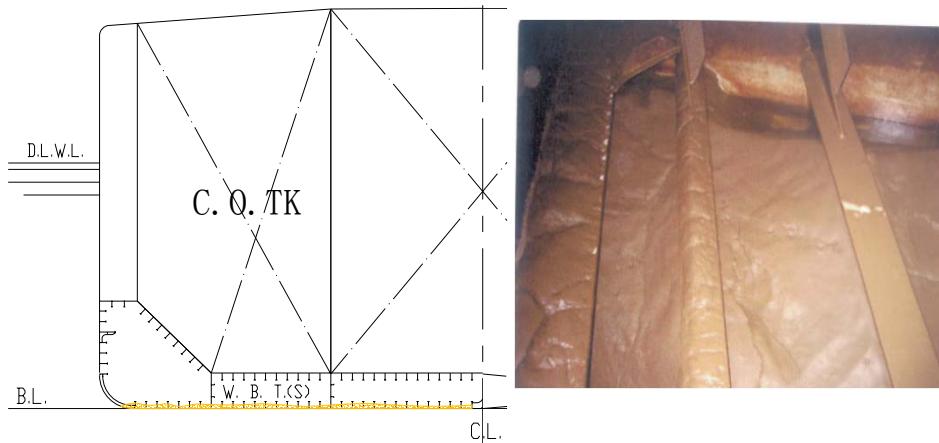

大连船舶重工集团有限公司
DSIC DALIAN SHIPBUILDING INDUSTRY CO., LTD.

Less Ballast Water Ships—VLCC

Tank Arrangement

Conventional VLC

- tank arrangement result in sedimentation;

Less Ballast Water VLCC

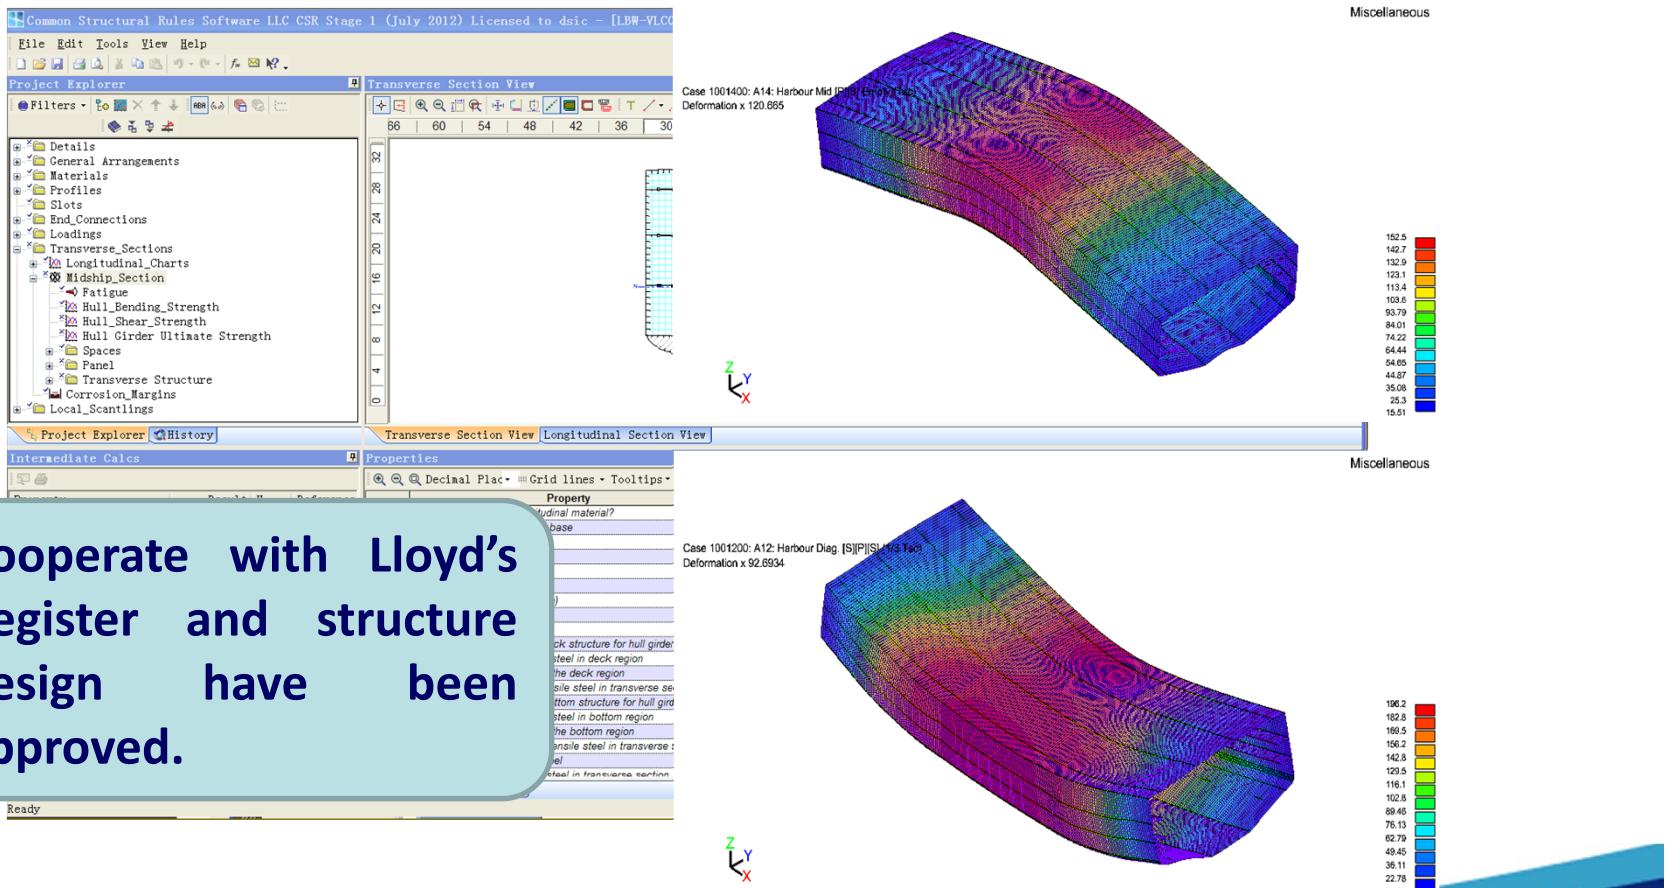

- ✓ Only wing water ballast tanks to be arranged;
- ✓ Plat bottom of ballast water tank to be used;
- ✓ Easy for cleaning.

大连船舶重工集团有限公司
DSIC DALIAN SHIPBUILDING INDUSTRY CO., LTD.

VLCC Solution

Approved Structure Design

VLCC Solution

The Feasibility for Load and Unload

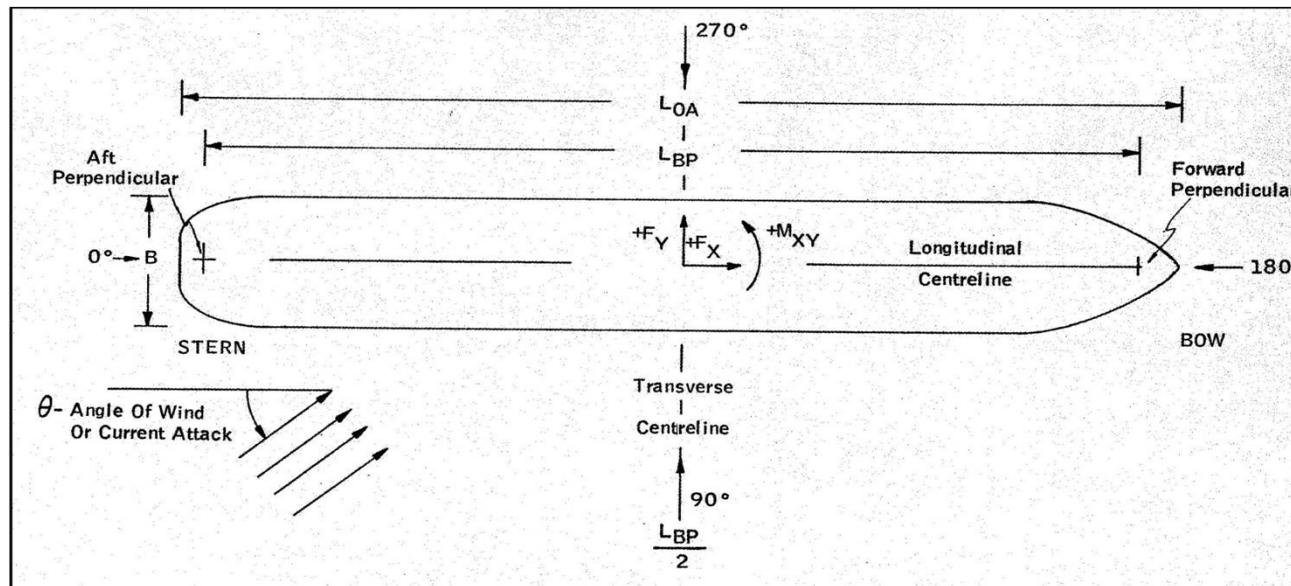

- ✓ Method of SPM
- ✓ Port marine loading arms also can be used

大连船舶重工集团有限公司
DSIC DALIAN SHIPBUILDING INDUSTRY CO., LTD.

VLCC Solution

The Feasibility for Mooring

Typical MBLs of Steel Wire Rope is similar to conventional VLCC.

大连船舶重工集团有限公司
DSIC DALIAN SHIPBUILDING INDUSTRY CO., LTD.

Summary

✓ Total Volume of Ballast Water: Reduced 50%.

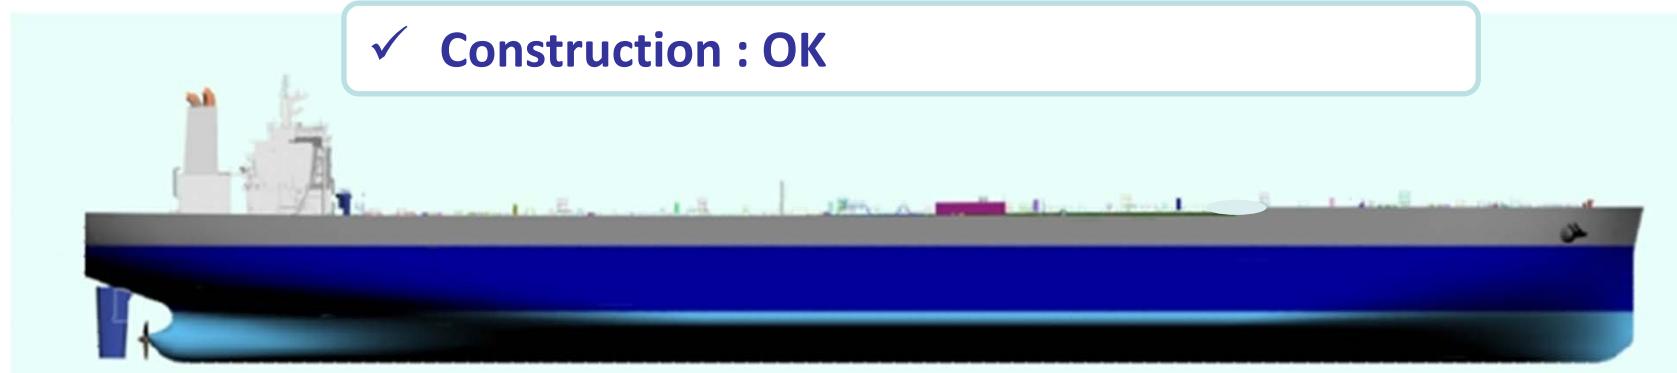

✓ Rules and Regulations : OK

✓ EEDI : Phase 2

✓ Maintenance: Easy for cleaning

✓ Operating : OK

✓ Construction : OK
