

Suggestion  
made by the IMO-NGO Correspondence Group (CG) Members  
on  
The draft Charter of new Organization developed by the CG

28<sup>th</sup> November 2014  
The 8<sup>th</sup> ASEF, Jeju, Korea

Participants to the 8<sup>th</sup> ASEF:

1. take note the draft Charter of new Organization which was developed by the CG\* and reported by its Coordinator to the 8<sup>th</sup> ASEF with recognition that the draft Charter is a sound basis for establishing new Organization; and
2. also take note that the CG asks the Japan Ship Technology Research Association (JSTRA) as a provisional Secretariat of the ASEF to convene the 1<sup>st</sup> Preparatory Meeting for the Establishment of New Organization, possibly in April 2015, and with this in view, to circulate the draft Charter to prospective members after the 8<sup>th</sup> ASEF inviting them to review it and submit comments with reasons, if any, to JSTRA by the end of February 2015.

---

\* The CG on IMO-NGO issue was established by the ASEF in 2011 comprising the representatives of shipbuilding industry in China, India, Indonesia, Japan, Korea, Malaysia, Vietnam and Sri Lanka.
