

Active Shipbuilding Experts' Forum (ASEF)
Anti-Trust/Competition Law Compliance Statement

ASEF's policy is to be firmly committed to maintaining a fair and competitive environment in the world shipbuilding industry and related industries, and to adhering to all applicable laws which regulate ASEF's and its members' activities. These laws include the anti-trust/competition laws and all associated legislation, guidelines and notices which the United States, the European Union, China, Korea, Japan and many nations of the world have adopted to preserve the free enterprise system, promote competition and protect the public from monopolistic and other restrictive trade practices.
